SEM Haven Rehab

Hello! We are reaching out to the community, looking for candy donations, for Trick-Or-Treat! SEM Haven is a non-profit organization that has been taking care of the Milford Community since 1980. Since the covid pandemic put a hold on our residents passing out candy, this will be the first year since the pandemic we are able to get back to tradition. PLEASE help us give our residents and the kiddos in the Milford Community the best Halloween this year! If you find yourself able, please consider making a donation in the form of candy or Halloween hand-outs to SEM Haven! If you are not able to contribute, please know that your thoughts and prayers are enough. Thank you for your consideration!

I am available to pick up donations from your location!

Donations may also be dropped off to SEM Haven 225 Cleveland Ave. Milford, Ohio 45150 Attention: Candy Donations/Activities

Sincerely,

Erin Didion
